MRPL607-C

Professional Line DVD+R Double Layer 8.5GB|240min 8x speed, inkjet fullsurface printable, white, Cake 100

MediaRange Professional Line DVD+R DL media provide maximum reliability and are designed to meet the high demands of professional duplication. The excellent recording stability allows your data to be professionally duplicated in just a few minutes with write speeds of up to 8x. Their superb compatibility with burners, printers and robotic systems also ensures smooth production. Our entire range of storage media is known for its long archival life and excellent UV light resistance. With a printing area of 23 - 118mm these discs are perfect for a professional inkjet printing.
