

MRPL601-C

Professional Line DVD-R 4.7GB|120min 16x speed, inkjet fullsurface printable, Proselect white, wide sputtered, Cake 100

MediaRange Professional Line DVD-R media provide maximum reliability and are designed to meet the high demands of professional duplication. The excellent recording stability allows your data to be professionally duplicated in just a few minutes with write speeds of up to 16x. Their superb compatibility with burners, printers and robotic systems also ensures smooth production. Our entire range of storage media is known for its long archival life and excellent UV light resistance. With a printing area of 23 - 118mm these discs are perfect for professional inkjet printing. The completely metalized underside of the disc allows for a top-quality image.
