- Packaging: single pack
- Color: black
- Material: plastic
- For tablets and other portable devices
- Infinitely variable bracket
- for almost every headrest
- Nett weight (ca.): 240g

APPLICATIONS

- Perfect for securely mounting your tablet or other portable device on the headrest in your car.

Safety and usage instructions:

Check your car first to see where the holder could be mounted and consult with your car manufacturer as necessary.

Please be sure that the holder does not block the driver's visibility or interfere with the airbag.

Follow the German Road Vehicle Registration Regulation (StVZO).
