

MR936

MediaRange USB 3.0 combo flash drive, with USB Type-C™ plug, 32GB

MediaRange flash drives provide quality and reliability. Our USB sticks are perfect for quickly archiving and exchanging data. The USB connection allows you to access your data safely and conveniently - anytime, anywhere. With the additional USB Type-C plug our combo drives can be used as external storage extension for your mobile device or for transferring files between your devices and a computer. Our combo drives are easy to carry ensuring your data is always readily available. The stylish aluminum housing is very robust and comes with protective caps to protect both plugs against dust and dirt while you are on the go.
